

## **Data protection notice on the processing of personal data in accordance with Article 13 of the general Data Protection Regulation (GDPR)**

Dear contractual partner,

as of 25.05.18, the EU-General Data Protection Regulation (GDPR) applies.

Pursuant to Art. 13 GDPR, we inform you about how data of you and your employees are processed by us within the scope of our contractual relationship.

The conclusion and execution of the contract is not possible without personal contact persons and thus without the processing of personal data.

The legal basis for data processing is Art. 6 para. 1 lit. b, lit. c and lit. f GDPR. As is already the case today, we will of course continue to handle personal data carefully and confidentially in the future.

The purposes of data processing are the initiation, conclusion and performance of the contractual relationship (e.g. communication, placing of orders in individual cases, clarification of detailed questions, invoicing, etc., provision of services) as well as the fulfilment of legal obligations (payment of taxes, storage of documents, etc.).

Recipients of the processed personal data may be other involved companies for the fulfilment of the purpose of the contract to the extent necessary. The aforementioned data will be processed exclusively for the aforementioned purposes and will not be communicated to unauthorized third parties.

Data subjects have the right to information about the data we process about them, the right to correct incorrect data, the right to erasure, the right to object to or restrict processing, the right to data portability and a right to lodge a complaint with the Saxon data protection authority.

The personal data will be deleted as soon as the purposes of the processing have ceased to exist, which is regularly the case after 30 years (justified by regulatory requirements for medical products) after the last fiscally relevant transaction.

You can reach our data protection officer at the following address with the addition "data protection officer" or [datenschutz@medizinservice-sachsen.de](mailto:datenschutz@medizinservice-sachsen.de).
