

Cancelations terms

Right of withdrawal

You have the right to withdraw the contract within 14 days without declaration of reasons. The cancellation period apply until the digital delivery.

The cancellation period is 14 days after conclusion of contract.

To use your right of withdrawal you have to tell us uns (Medizin & Service GmbH, Boettcherstraße 10, 09117 Chemnitz, Germany, info@gmon.eu, Phone: +49 371 560360, Fax: +49 371 56036 22) with an explicit declaration (e.g. mail delivered by post, phone, fax or email) to inform us about your decision to withdraw the contract. You can use the enclosed revocable form but it is not mandatory.

To keep the cancellation period it is sufficed that your message to execute the right of withdrawal is before the end of the cancellation period transmitted.

Consequences of the withdrawal

If you withdraw the contract we pay all taken payments that we have from you including the delivery costs (with the exception of all added costs that come from another delivery method which is not the cheapest offered standard delivery) immediately and at the latest after 14 days from the day were your withdrawal on receipt to repay. For the repay we use the same payment method as you used with the original transaction except it was something explicit different agreed. In no case we calculate with the repayment additional fees.

The right of withdrawal extinguish if the contract is about the delivery from not physically data medium with digital content, even if we begin the contract executing, after you have explicit agreed, that we can begin executing the contract before end of the revocable time, and your knowledge confirmed, that with agreeing with begin the executing the contract you right of withdrawal extinguish.
